

# TUTORIAL TO SUBMIT YOUR STORY

Welcome to the Clichés forum.

You have created a workshop Clichés and want to share your story. The gallery of testimonies is made for this. The Clichés team will be responsible for placing the story in the Discover tab.

## First step : Create an account on WIX

1/ Click on "Log in"

2/ Select your method of registration

3/ Click on the confirmation link in your email

Once the account is confirmed, you can log in to the site. With this icon, you are sure to be logged in.

## Step two : Add a story

1/ Click on the « TELL » tab

2/ Click on « Create a new post » then « Start a discussion »

## Step three : Write a story

Donnez un titre à ce post

✎ Rédigez votre post ici. Pour renforcer votre post, ajoutez des photos, des vidéos, etc.

1/ The title of the post is the first name of the person accompanied or another first name if they prefer to keep their story anonymous

2/ Postpone the identified steps (I'mpossible, Challenge, Impossible) Put these in bold

By highlighting the text, you can bold it.

3/ Record the corresponding part of the story under each identified step.

4/ To add an image, you can either use the one in the free image bank ([Pixabay](#), [pexels](#), [Compfight...](#)), or share a sketch made during the workshop.

You add it by clicking on the + to the left of the text or by clicking on the camera icon at the bottom of the text zone.

## Final step : Publish your story

Don't forget to click on « Publish » to share the story on the forum !

That's it! Thank you for your contribution !

PS : If you encounter difficulties, you can send us the story and the image chosen by email to [cliches.eu@gmail.com](mailto:cliches.eu@gmail.com).

We will be happy to put them online !
